

Remarks

In view of the foregoing amendments and these accompanying remarks, it is respectfully requested that this application be reconsidered.

There are no multiple dependent claims in this application. Original Claim 14 had an obvious typographical error in that it stated "according to any one of claims 10." Reference was being made to only one claim and not to multiple claims, so it was not a multiple dependent claim. By the foregoing amendment, this obvious error was corrected.

Therefore, there are only 16 claims and no multiple dependent claims and no extra fees are required.

Applicant need pay for only the search fee, the examination fee and the surcharge for late filing of the Declaration. This comes to \$215 and a check in this amount is enclosed.

Accompanying this paper are the Declaration and Power of Attorney. Separately, the Assignment will be submitted for recording.
